Sir:

SUPPLEMENTAL AMENDMENT

Further to the Amendment filed September 27, 1999, please amend the above-identified application as follows:

IN THE CLAIMS

Please add the following new claims 16-25 as follows:

-- 16. A method of bringing a new base station capability into an existing.

11/16/1999 MPERRY COMMUNICATION network, comprising the steps of:

78.00 CH communicating capabilities of the base station from the base station to the network using a format of a common abstract resource information model;

preparing and communicating operational configuration information for the base station based on the capabilities of the base station and based on a need of the network,
